

BECOME A 2021

Legacy Builder

June 10, 2020

Dear Friend of Habitat for Humanity,

The last few months have been challenging, to say the least. At Habitat for Humanity Greater Fresno Area, we have been put to the test to keep our mission strong and **building strength, stability and self-reliance through shelter** in Fresno and Madera counties.

Did you know over the next 12 months, Habitat already has plans to construct 23 new homes? We are also going to serve 100 families through our Acts of Kindness Program, and another 70 families through our Home Preservation Program that includes Aging in Place enhancements. And while funding levels have declined in many areas, the need to expand and fund our mission has not.

Today, we are asking for the support of our loyal friends, and new ones, to continue the crucial work of our Affordable Homeownership Program. By making an annual gift today, you will become a part of the **Legacy Builders Fund**.

The Legacy Builders Fund supports the mission of our Affordable Homeownership Program. A donation to this fund also provides you with unique opportunities to get a deeper look into the mission and work of Habitat. Through a host of private events meant to highlight the treasures of the Valley, you will hear the stories from the people we serve and engage with donors like you, who believe in a better future for our community. You will also receive tickets to our events, opportunities to view our new homes before they are dedicated, and special acknowledgments during home dedications.

Would you please consider joining The **Legacy Builders Fund** today? If we can secure **50 Legacy Builders** by **March 1, 2021, we can** fund the construction of an entire home, making a family's dream come true.

Your generous gift will help make a significant difference in the lives of our community's most vulnerable families. To learn more, please see the Legacy Builders form on the following page.

If you have any questions for me about the next steps or this proposal, please email me at Matthew@HabitatFresno.Org, or call me on my phone (559) 237-4102, ext. 100.

Respectfully Submitted,
